here. Our feminine public will require little emphasis on the importance of this announcement. The styles are of our own choice, are selected from the best efforts of the leading designers of New York, London and Paris, and may be relied upon with absolute assurance of accuracy, authenticity, excellence and exclusiveness which this store has become known for giving.

Further details of the showing will be given at an early date. It is not yet

immensely large in extent, but is representative in variety and as an object lesson in Fall styles its importance is not to be overstated.

Biggest Bicycle Value Ever Attained

VOU may thank the proposed Bicycle Trust for this chance, although Dr Snow's Beef, Iron and with decided indirection.
